Information Sheet: Application for a Possession and Acquisition Licence Under the *Firearms Act* (for Individuals Aged 18 and Over)

Ce formulaire est disponible en français.

Before you Start…

The fee to apply for a firearms licence will be changing annually. Please refer to Section J - Fees, for the applicable fee associated with your firearms licence application.

Individuals must hold a valid firearms licence to acquire and possess firearms; to acquire ammunition, cartridge magazines, or firearm parts (e.g. barrels for firearms and slides for handguns); and to import firearms, ammunition, cartridge magazines, or firearm parts.

Use this form if you are an individual aged 18 and over to apply:

- for a first time licence;
- for a new licence if your current licence has expired;
- for a Possession and Acquisition Licence (PAL) for a different class of firearm.

Do not use this form to apply to renew your firearms licence if it is still valid. You can now renew your licence on the Internet by accessing the link "Individual Web Services" on the main page of **our website**. If you wish to renew using a paper application, you can request the form "Application for Renewal of a Firearms Licence" (RCMP GRC 5614) by calling 1-800-731-4000 or by downloading it from **our website**.

Please note:

- **You must complete all sections of the form. An incomplete form will cause delays in processing your application.**
- Processing a firearms licence application involves a variety of background checks. In some cases, in-depth investigations are conducted.
- Once your licence application has been fully processed and you have met the eligibility criteria, you will be issued a Possession and Acquisition Licence (PAL).
- There is a minimum 28-day waiting period for all applicants who do not presently hold a valid firearms licence.
- A PAL is valid for a period of five (5) years.
- The application must be signed within six (6) months of mailing and must bear a handwritten signature.

Safety Training - If you are applying for a Possession and Acquisition Licence (PAL) for non-restricted firearms, you must have passed the Canadian Firearms Safety Course (CFSC). If you are applying for a PAL for restricted firearms, you must have passed two safety courses: the CFSC and the Canadian Restricted Firearms Safety Course (CRFSC). See Section G - Safety Training Certification for further information, or call 1-800-731-4000.

If you need additional space, list all information requested on a separate sheet of paper, add your name and licence number (if applicable) to the top of each sheet and attach the sheet to your application.

If you need help completing this application form or require another form, call 1-800-731-4000. Additional information and some application forms are also available on **our website**.

The following information explains certain parts of the form and will help you answer some of the questions. You should read the instructions as you fill in your form. If you are still unsure about a question, call 1-800-731-4000 for assistance.
